

# GREEN CHRISTMAS BATH

  Tag me: [spotofteadesigns](#)

Cut out the tree shape and slip into a bag or container with a blue and a yellow bath tablet and place near your elf. (We use Crayola Bath Dropz, which you can find on Amazon. We used them for years and they never stained the tub or their skin).

THIS IS AN ADULT SUPERVISED ACTIVITY ONLY! Do NOT let the kids eat the bath tablets and please don't leave them in the tub unsupervised.
