

NAME THAT TUNE (1)

  Tag me: [spotofteadesigns](#)

Print "Name that Tune" tent cards, cut out shape and fold on dotted line.

Pair next to your elf with other fun props to easy setups and make a fun game in the morning. They can only read the back of the tent card with the answer once they make a guess!

Here are a few ideas for the setup:

SILENT NIGHT - Put a bunch of dolls and elf with painter's tape over their mouths.

JINGLE BELL ROCK - Place one jingle bell and one rock next to it with the tent card.

OH CHRISTMAS TREE - Make a tree with green paper cups.

DECK THE HALLS - create paper chains to literally hang in your hallway.

ROCKIN' AROUND THE CHRISTMAS TREE - Grab a bunch of stuffed animals and characters and make a circle around the tree.

WINTER WONDERLAND - Create snowflakes with coffee filters and hang!

FROSTY THE SNOWMAN - Stack 3 rolls of toilet paper and draw a snowman face with markers.
