

LAYERED SVG ASSEMBLY INSTRUCTIONS

LAYER 1. Adhere yellow moon onto black base.

LAYER 2. Adhere the black text shadow in place, as shown. Tip: This is a good piece to use foam adhesive to add dimension!

LAYER 3. Adhere the orange "trick" and "treat" words and purple "or" word in place. Don't forget the dot on the i!

LAYER 4. Adhere purple bats onto moon. If desired, you can use foam adhesive here too!
