Or just tape directly to each of the wrapped gift card holders so they know which is which!

A YEAR OF DATE NIGHTS

On the first of each month, open the labeled gift to find out what fun is in store!

Print this on cardstock and trim to shape.

Add a personal message on the dotted lines and sign the bottom after printing.

Wrap all the other gift card holders and add the monthly tag on top of each. Group them together in a box or basket (bonus points if it's a picnic basket to go with the "April" gift!) Put this explanation card on top, unwrapped. It will be the only thing they can open that first day!

Tip: If this is a bridal shower or wedding gift, direct them to start by opening the gift the month after getting married!
